

Neutrinoless double beta decay search in Xe - next-generation experiment workshop

Wednesday 12 November 2025

Theory discussions of 0nbb: (Chair: Liang Yang) (13:30-15:00)

time	[id] title	presenter
13:30	[23] Theory review of the nuclear matrix element calculation for 136Xe	Dr HOLT, Jason
	- [1] Question period	
14:00	[24] Accessing underground labs	Dr CADEN, Erica
14:30	[25] Technical Coordination of large-scale 0nbb experiments	Dr MORANBAL, Francesc
